

All ringing events in this programme are “open ringing”, and visiting ringers are welcome. All other events are by invitation only. As this programme is subject to change during the year, sometimes at short notice, it is recommended that intending visitors check in advance that the programme is still correct, especially if travelling any distance.

The latest version of this programme may be found on the Guild website at:

<http://www.lcgcr.org.uk>

Twitter users may follow **@LivCathBells** for last-minute updates on Cathedral ringing.

For security and safety reasons access to the tower is restricted. Normal open service ringing times are:

- 0930 to 1030 for Eucharist
- 1330 to 1500 for Evensong
- 1800 to 1930 for Practices

The door to the bottom lift will be manned until 15 minutes after the official start time. If you know you are going to be late, please contact an officer of Guild beforehand.

The telephone number of the Cathedral ringing room is 0151 702 7268. This is manned only during ringing sessions.
